

## **Urbanna Harbour News Letter**

### **SECOND QUARTER NEWSLETTER 2012**

#### **HAPPY JULY 4 TO ONE AND ALL**

4th July firework celebration in Urbanna will take place on the evening of 6th July - please remember that fireworks are not permitted on or adjacent to the docks in Urbanna Harbour. Our docks are very vulnerable, if a spark gets between the dock and the float we would have quite a problem on our hands.

#### **MEMORIAL DAY WEEKEND**

The pool was in good use during the Memorial weekend, it was nice to see so many of you down on the docks

#### **NOTES FROM THE TREASURER**

The Audit letter for the 2010/2011 fiscal year is now available for viewing on our website. Our financial year ends July 31 so soon the Treasurer will be getting all the necessary paperwork to our accountant. Our new budget is in force and hopefully we will not have too many "surprise" expenditures this year.

#### **ANNUAL GENERAL MEETING 2012**

The minutes of the meeting are available on the website. We had a good meeting, although not many of you were able to attend. The cookout following the meeting was a nice and well attended event.

#### **WORK AROUND THE DOCKS**

The docks have been fairly trouble free. Remember to keep your hoses and electrical lines secure - and ensure that they do not impede those walking along the docks.

We repaired a float on the docks which was damaged during Irene at slip 80.

At the end of this season we will have some work to do to the pool, the pump is a bit dodgy. But hopefully the liner will survive another couple years. The steps to the pool are cracked and will be repaired after this season.

## **ALMOST HONEST**

A gas tank and fuel were stolen from a boat on the north dock. The surprising and somewhat amusing end to this story is that the tank was returned EMPTY!!!! Someone was obviously almost honest!

## **REMINDERS**

- We have seen lots of oil around the docks - please make sure before pumping your bilges that they are clear of oil - you can purchase various good products to put into your bilge to soak up and/or break down oil.
- Please use our pump out facility - we do not permit any effluent to be discharged into the creek, raw or treated!
- We are arranging for Roger to screw down any docks boards which are lifting - please walk the docks carefully until this job is complete.
- If you are the last person leaving the pool area, we appreciate your lowering the umbrellas. **GLASS BOTTLES ARE NOT PERMITTED IN THE POOL AREA.**
- Please be careful driving around Urbanna Harbour - **THE SPEED LIMIT IS 25 MPH.** This week someone ran over one of the geese and left the dying bird on the side of the road leaving someone else to come along and do the humane thing for the poor creature. Please tell any visitors, friends or people who come to work in the neighborhood that we do have a speed limit and these geese are part of the neighborhood family.
- When parking trailers please do so in the area allocated at the south docks and park neatly. Remember this is only temporary parking for trailers.

## **ITEMS FOR SALE and WANTED**

Does anyone have a used kayak for sale - John Watlington (slip 28) is looking for one - you can contact John at [johnwatlington@gmail.com](mailto:johnwatlington@gmail.com).

I have a couple of items that I am trying to find a person who has a need, they would be (2) black fleece covered 10" fenders & a 50 amp splitter. These are in excellent condition. Contact Perry Des Jardin (slip 20) at [perry.desjardins@comcast.net](mailto:perry.desjardins@comcast.net)

## **SLIPS TO RENT**
