

Urbanna Harbour Yacht Club
3rd QUARTER NEWSLETTER 2017

Well another season is over and our thoughts turn once again to preparing our boats for the winter.

AROUND THE HARBOUR

The pool was closed on schedule and this winter we plan on making some repairs to the steps leading down into the pool. Otherwise all is well in that area.

We had to repair the deck on the south clubhouse building recently. Roger Van Liew did a good job of replacing the rotten boards and generally sprucing it all up.

This year we have many new homeowners/slipowners and renters, please welcome your new neighbors when you see them around the docks.

We will send out notification as soon as the winterization of the docks is scheduled.

If you have a new renter in your slip please direct them to our website so that they can be made aware of our rules etc. This makes life easier for us all.

NORTH DOCKS

Of course there has to be one or two gripes!!!! **PARKING IN THE CIRCLE AT THE NORTH DOCK IS BECOMING A NUISANCE.** REMEMBER THIS CIRCLE IS TO BE USED FOR LOADING AND

UNLOADING ONLY !!! This area is signed and we will be enforcing the towing law so beware.

OUR BELOVED DOGS

PLEASE CLEAN UP AFTER YOUR DOGS SINCE THEY CANNOT DO SO THEMSELVES!!!!

FACEBOOK

UHYC has a Facebook page – is anyone interested in maintaining and updating it??? Let us know.
